VFW DEPARTMENT OF CALIFORNIA

Ray-Ban Meta AI Glasses

For people who are blind or have significant low vision

No-cost glasses

For eligible veterans, spouses, and dependents with significant vision loss that affects their ability to safely perform everyday activities.

Available at designated distribution events, subject to eligibility and availability.

Use voice commands to read printed text aloud, describe nearby objects, and make hands-free calls.

Who may qualify

Legal blindness

Best-corrected central visual acuity of 20/200 or less, or a visual field of 20 degrees or less.

Low vision

Significant, uncorrectable vision loss that affects safety, independence, or daily activities.

Examples include macular degeneration, glaucoma, diabetic retinopathy, eye or brain injury, and stroke.

How to get started

Visit **www.vfwca.org** and select Ray-Ban Meta AI Glasses on the homepage slider.
