To VFW Leadership:

The VFW National Headquarters offers a no-cost accidental death and dismemberment policy to all members of the VFW. This is not a life insurance policy.

All VFW members in good standing are insured under the VFW Sponsored \$1,000 Personal Accident Plan. The plan reduces at ages 70 and 75 and is provided to the member at no cost. A claim may be filed in the event of an accidental death or dismemberment.

Inquiries about this policy and how to file a claim should be directed to the VFW Insurance Administrator at 1-800-626-0027. The VFW National Headquarters endorses numerous types of life insurance policies. You may direct all insurance questions to the VFW Insurance Administrator. This includes questions about the no-cost policy and questions about life insurance policies that have been purchased by VFW Members.

To find out about the many policies that we endorse, please visit [www.vfwinsurance.com](http://www.vfwinsurance.com)

Please distribute this letter to your Posts and Post members in your department upon receipt. Program agents will contact the department before contacting any Posts or Post members. **The VFW membership list is protected by a confidentiality agreement.** The VFW National Headquarters does not sell member names.

If you have any concerns or questions about these programs, please contact Denise Edelman at National Headquarters at 1-800-821-2606, opt. 4, ext 723. Or email Denise at [dedelman@vfw.org](mailto:dedelman@vfw.org)

Sincerely,
