LEST WE FORGET OUR POW/ MIA's **100% ACCOUNTABILITY**

We request VFW members send their Senators and Representatives a letter urging their continued support of this issue; this includes asking members of the public to also write on behalf of our missing veterans. To ensure they are never forgotten, all VFW Posts should:

- Urge support from local news media and club newsletters.
- Notify all news Media well in advance of all POW/MIA Programs to ensure their participation.
- Comply with VFW National mandates, and our state resolution that requires having an empty chair at all official functions properly personalized with a MIA chair cover.
- Meet the POW/MIA families from your area and see if Post, Men's or Ladies Auxiliary can be of assistance to them.
- Urge all Posts and Districts to appoint POW/MIA Chairperson and send their name to the State Chairperson.
- Urge all Posts and District Commanders with the help of the Men's and Ladies Auxiliary to conduct a ceremony.
- Urge Posts and Districts to have a POW/MIA Flag on location for meetings and special events.
- Educate and inform communities, schools, youth groups and local government that the Prisoner of War/Missing in Action Flag is only subordinate to the US Flag and should be displayed or presented accordingly.
