Location: 10/6/2021-S. VETOED

Summary: Would enact the Voluntary Veterans' Preference Employment Policy Act to authorize a private employer to establish and maintain a written veterans' preference employment policy, to be applied uniformly to hiring decisions, to give a voluntary preference for hiring a veteran over another qualified applicant. The bill would require a private employer with a veterans' preference employment policy to annually report to the Department of Fair Employment and Housing the number of veterans hired under the preference policy and any demographic information about those veterans that the employer obtained in response to the department's reporting requirements. Position

Governor's Veto Message:

To the Members of the California State Senate:

I am returning Senate Bill 665 without my signature.

This bill allows private employers to create a temporary veterans' preference for hiring and deems these policies as not violating anti-discrimination laws, until January 1, 2028.

Honoring veterans and assisting them in securing employment are vitally important goals of my Administration. However, I am concerned that the veterans' preference policies that would be permitted by this legislation could negatively impact employment opportunities for women and other protected groups underrepresented among veterans, such as people with disabilities.

There are ways to make the preference workable and I look forward to working with the author to advance such a policy.

Sincerely,
Gavin Newsom
